“Bluegrass Gang” takes on the SCCA Northern States Championship

August 3-4 Wilmington Ohio. When ten Kentuckians arrived at The Pad, their reaction was “Wow that’s a lot of concrete!” and “How the heck do you walk this thing ?”

This was the National Pro Tour and the CKR and KYR regions had shown up in full force.

How’s this for results; Adam Norton in CS, was only .136 out of first place on day one and finished 3 out of 4. Eric Brown ran in RTR, and finished 12 out of 18. Stephen Lee was 10th, Shawn Lambert 11th and Rich Hughes was 14th out of 15 in STU. In STF, Andrew Buck finished 5th out of 9 and Scott Wright sat 7th out of 9,(the fastest in that class with street tires!) The best finish for KYR was Raymond DSouza’s 5th out

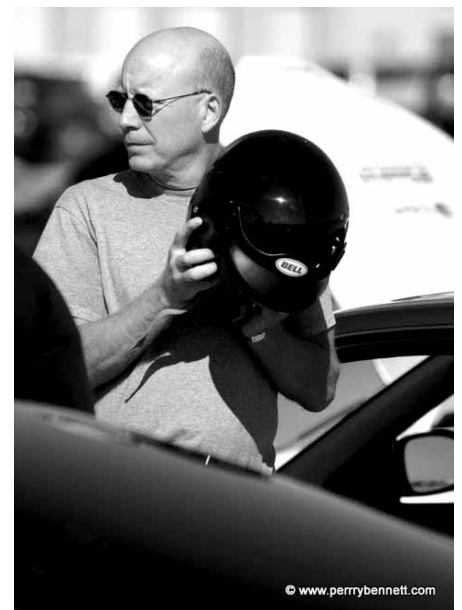

Almost 14,450,000 square feet of concrete greeted the competitors as they arrived at the event.

of 18 in STX— good for the last trophy in class. CKR’s best came from Josh Owens who trophied 4th out of 12 in STR. Right behind him was *Continued on page 5* Marc Phannenschmidt 5th and Dave Roberts in 9th to finish out the STR class. *Continued on page 5*

Fire Extinguishers (FE) – several are out of service. Mike will pull the FE and service as necessary. Need eight FE in service. A motion was made by Rich to allow up to \$300.00 to recharge the FE. Bruce seconded. Motion passed.

Tafel Mini as an event sponsor – will set up a tent with volunteers and handouts. Will supply some drinks at events. Separate Mini class a possibility.

Axware – Tony Morrow presented information on how we could do live timing uploads to our website at an event for competitors to review on their smartphones. A live timing module would need to be purchased and an internet connection via mobile hot spot established. Brian made a motion to allocate \$400 for the \$195 axeware module and \$172 for 5 months of the internet connection. Julia seconded. Motion passed.

Holly LS Fest in September. Brian provided a handout (copy attached) detailing an opportunity for the club to run the autocross at the coming Holly LS fest (Sept-5th-8th) in Bowling Green. We would have no liability, any damaged equipment would be replaced. Brian will have a contract to review at the next board meeting. Good promotion for the club and a chance to make some money for the club. Brian stated that he has several members interested in helping.

Open Discussion:

The next membership meeting will be moved from July 4th to July 11th due to the holiday.

A group viewing of the movie "Rush" was again discussed

Meeting adjourned at 8:45 pm.

"I had a metric butt ton of fun this weekend! Not only just the racing, but being surrounded by good friends makes the experience top notch." — Stephen Lee

"Had a freakin blast with all the you awesome fools and your shenanigans. First days intermittent moisture made it interesting but day 2 was all party."—Raymond DSouza.

We should all be proud of these brave people from our state who took on the best and came out pretty good. Look for them to go further in 2014, maybe all the way to Lincoln.

Special thanks to Perry Bennett for allowing us to use his photos for this story. Perry shot the photo for the cover of the September issue of Sports Car Magazine. See more photos at www.perrybennett.com
