News from the R.E.

by Jamey McDaniel

Since my last RE letter we have had 2 events and both of them the heat index was over 100 degrees and I spent 10 hours + in the sun and that is all I remember. I think a good time was had by all.

After 5 points events this year there are a few classes that look like first place is all sown up. But there are also some classes that appear to be a race that should go down to the wire. If you are at the rest of our points events this year, keep your eye on Super Stock, D Stock, E Stock, DSP, STS, STU and C Mod. Those are the classes where the competition is just heating up. Keep track of the points so far this year on kyscca.com and please do not wait until the end of the year to speak up if you see any errors.

Make plans to join us for our next autocross event on August 28, 2005 at Ft. Knox. This is a dual region points event with the points earned being counted in both KYR and CKR regions. We encourage you to pre-register on myautoevents.com. We are hoping for a big turnout and pre-registration will really help us in getting everyone checked in on event day and get the event started on time.

National News

TOPEKA, Kan. (Aug. 16, 2005) – Sports Car Club of America, Inc. President and CEO Steve Johnson announced today that he will resign from his post, effective Sept. 15, to become the President of Champ Car World Series LLC.

Johnson served as President and CEO for SCCA since June 2000, assuming the similar role with subsidiary SCCA Pro Racing in April 2001.

“Steve has been a tremendous asset to the Sports Car Club of America,” SCCA Chairman of the Board Gary Pitts said. “On behalf of the Board, we are sad to see Steve go, but wish him the very best of luck with his new position.”

“This is one of those opportunities in your life that you simply cannot pass up,” Johnson said. “I’m very confident in the team that is in place and comfortable to leave the company and Club in its current status. SCCA is financially sound, looked upon as a

leader and is in the best position ever within the industry. At the risk of sounding cliché, I’m going out while we’re on top.

“While I’m moving to another motorsports sanctioning body, it is one that is very much a partner to SCCA. I understand SCCA and its strengths. I would not have had this new opportunity without my association with SCCA, and I will remain very loyal to the Club.”

The SCCA Board of Directors will begin the process to position Johnson’s successor shortly.
