## Street Survival School Recap

Thank you for all of the KYSCCA members that helped put on a great, sold out, TRSSS. If you haven't volunteered for one in the past, I'd highly recommend helping out in the next. It is a rewarding experience.

" I really enjoyed volunteering to help put the event on. It was a really rewarding experience to see the amount of driving time each student got to gain experience in unexpected driving situations, and how much they learned about how to handle their cars and how to react and drive safely. This is the kind of drivers education that every person on the road should have. " - Jen Chapman
