Driver's School²

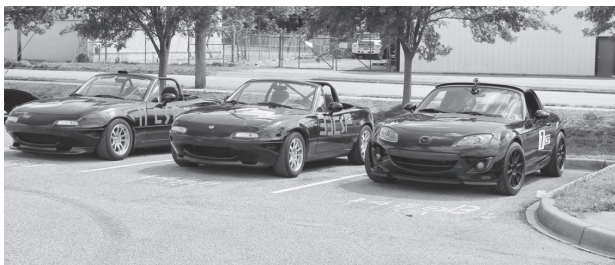

Local hot shoes give excellent tips to the masses at annual "home" school.

Erin Hissong showing her new found skills at the KYSCCA Drivers School. All of the photos except this one of course are the work of Erin. Thanks Erin for the great pics.

The second Driver's school of the year was well attended, as a total of 40 spots were filled. A wealth of talented, winning drivers brought their skills and tricks of the trade to share with the rest of us. Thanks go out to the faculty; Geoff Hale, Jim Moore, Jamey McDaniel, Andrew Buck, Ryan Zupancic, Marc Pfanneschmidt, Aaron Leichty, Shawn Lambert, Jeremy Hess and Brian Mason; Event Chairman

After about 30 runs I dropped about 5 seconds off my first run, which might take me from the Sun Dial to the Hour Glass era. Remember to look ahead... way ahead. —rif56

Three Miata's wait their turn to hit the course.

No. 11 csp is Chris Croaks

No 33 csp is Shane Duncan's

No. 7 csp belongs to David Gilbert.

Adam Norton drives his C stock MR-2 with precision and speed. At Points Event 5, the next day at Papa J's, Adam was no. 3 in the pax and was nearly a full second ahead of the top CM time. That is why he is one of the best drivers to learn from.

Cindy Duncan proves that smooth driving leads to fast times in her beautiful Dark Blue Mustang.

Nathan Steinke is proud of his Corolla rear drive "86". After all the RWD twins from Toyota and Subaru owe their existence to this type of car. On this run, Tony Northcut is at the wheel.

Ky. Region SCCA Board Meeting May 29, 2013, Unique Automotive

Regional Executive Jamey McDaniel called meeting to order at 6:32 p.m.

The following were present: Rich Sinnock, Mike Spence, Bruce Domeck, Ron Riffle, Jamey McDaniel, Brian Mason, Julia Aebersold, Jamey Aebersold.

Secretary Mike Spence presented the April 24, 2013 minutes for review. Bruce made a motion to accept the minutes as presented, Ron 2nd, motion passed.

Financial Report: Treasurer Rich Sinnock reported that Club is in good shape. Rich reported that the club received \$400.00 from Tire Rack incentive program for member purchases.

Membership Report:
No report was presented.

Old Business:

- Points Event #3 went well– 78 drivers
- KYSCCA Drivers School– 40 students are signed up– 10 instructors. A lot of

new drivers are in the group. Instructors shirts are ordered \$228.00 total.

New Business:

- Do we need new FRS radios?– It was decided that we have enough at present.
- End of course worker position to hand out time slips – majority felt it is a luxury and not needed.
- Axware additional capabilities– can broadcast to our website and then be accessed with smartphones, can be used to organize and sort classes, has many options that we are not using. Works well with the new timing equipment. We may need to buy a new laptop computer that is capable of broadcasting, ours is very outdated. Previously discussed large results monitor will be shelved for the present due to Axware broadcasting possibilities.
- Website– We need to make a payment to catch up with our hosting provider.

National remake for us is in the distant future, will probably charge a hosting fee. Central Kentucky Region is re-working their website. Bruce made a motion to catch up with our host on payment, Mike seconded. Motion was passed.

- Banquet liaison was not discussed.

Open Discussion –

- Newsletter has gone to bimonthly distribution.
- Ron suggested a group viewing of the new movie “Rush”, the story of the 1976 F1 championship between Niki Lauda and James Hunt. Directed by Ron Howard. Opens sometime in September 2013.
- It was discussed that the instructors shirts purchased should have had board approval.

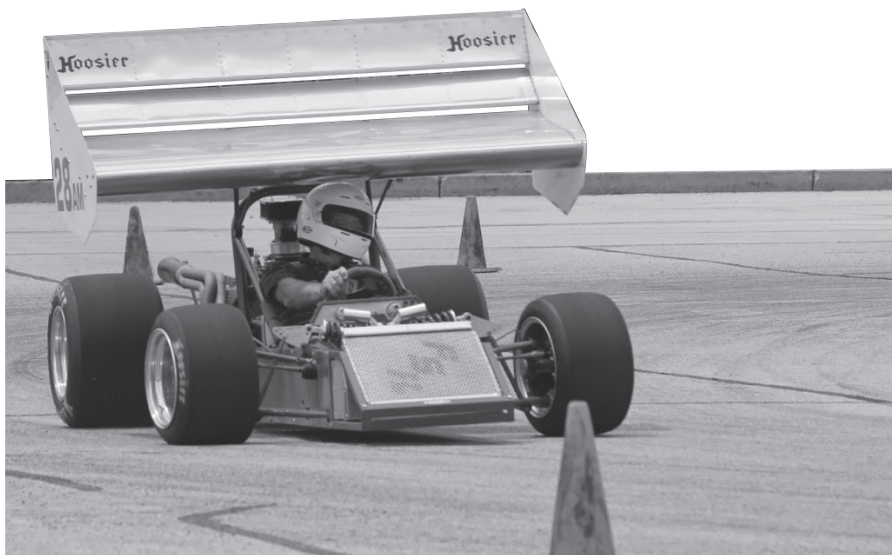

Meeting adjourned at 7:45 pm

Respectfully submitted this June 24, 2013 by Secretary Mike Spence

Here is one of the best solo photos I have seen this year. The composition is unique and uses the surrounding trees and foliage as a backdrop for the subject; Phil Wells driving his beautiful Swift C/M. In full color the image is even more compelling.

Well done, Blake Elmer.— *Downshift*

Points Event 4—2 time B Mod SCCA Solo Nationals champion Bruce Domeck shows the way to handle a flying wing A Mod. Unfortunately, no rides where possible, but watching Bruce drive is always worth the price of admission.
