## Fly by Night

Taking the right line, finding the apex, looking ahead, feeling alive! That's what an autocross event in the dark can do to one's psyche. Plus it is a real kick in the pants.

KYSCCA ran it's first, (and hopefully there will be many more), night fun event at the KY Fairgrounds. 70 entries, more spectators and a unique experience.

Credit goes to the amazing, market savvy and creative Annie Steinke for inventing the "autocross after dark concept".

*This exceptional photo by Jonathon Sexton says it all about the unique experience for 70 night riders at the 24 hr De La Cone. By the way, Jonathon is the driver?*

## Ky. Region SCCA Board Meeting July 30, 2014

Regional Executive Jamey McDaniel called the meeting to order at 7:05 p.m.

The following were present: Rich Sinnock, Bruce Domeck, Jamey McDaniel, Brian Mason, Nathan Steinke,

Dave Melton, Shawn Lambert, Tony Morrow, Armando Manzo.

Tony Morrow presented the June 25, 2014 minutes for review. Amendment to remove dollar amounts reported

for operating account motioned by Dave, seconded by Shawn and passed. The minutes were accepted.

Financial Report: Treasurer Rich Sinnock reported that Club is in good standing. All bills are up to date and

club operating in the black. Motioned to accept by Shawn, seconded by Bruce and passed.

Old Business:

- Tire Rack Street Survival School: Reported 24 teens signed up as of meeting. Call to sign up more instructors.
- Night Autocross: Discussed event details and noted as progressing well.

New Business:

- Points Event #8: Chris Evans to chair.
  - Mid Ohio PDX and Club Event: Discussed goals and survey taken of who is planning to attend.
  - NCM Motorsports Park: Park status covered. Discussed 7/23 visit of pad. Communicated to NCM of the desire of KYSCCA to be involved with event support.
    - o Identified flagging and communication training for NCM employees on 9/16.
    - o Discussed use of NCM meeting room during October NCM autocross. Decided not to be used.
    - o Trailer support pads to protect new asphalt to be communicated to all attendees.
    - o Shawn Lambert and Brian Mason to be course designers.
  - 10x20 Canopy: Discussed various options to maximize canopy sizes at best price. More research to commence with no decision at this current time.
  - FSAE Charity Event: Ten dollars per entry to be donated to FSAE was decided upon and two dollars per T-shirt sale.
  - Annual End of Season Banquet: Location finalized and secured.
  - Kart rules: No changes to local KYSCCA rules as they shadow national rules.
  - Grid Marking Cones: Pricing and options discussed to better mark grid parking locations. More research to commence with no decisions at this time
  - Event 'roping' Material: Replacement roping to be researched and discussed at later time.
  - PA Speakers: Motion to purchase one speaker of same make and model as others. Dave motioned, Nathan seconded and passed.
  - Club Elections: Discussed communication to membership and elected election committee. Bruce, Nathan and Tony to preside over elections.
- Rich made motion to adjourn, Shawn seconded and passed unanimously. Respectfully submitted this August 27, 2014 by Secretary Armando Manzo.

## Ky. Region SCCA Board Meeting August 15, 2014

Location: UPS Grade Lot, Point Event #8

Regional Executive Jamey McDaniel called meeting to order at 8:36 a.m.

The following were present: Rich Sinnock, Bruce Domeck, Jamey McDaniel, Brian Mason, Nathan Steinke,

Dave Melton, Shawn Lambert, Tony Morrow, Armando Manzo.

Old Business:

- 10 x 20 Canopy: Canopy to be 10 x 20, 6 weights for \$1500. Dave motioned, Shawn seconded and motion passed.
- Grid Cones: 12 inch high cones to be purchased with a budget of \$370. Dave motioned, Bruce seconded and motion passed.

New Business:

- Industrial Radios: Purchase of better quality radios to replace current radios. Lot consisting of radios, chargers and ear-pieces for \$400. Shawn motioned, Nathan seconded and motion passed.
- LS Fest Budget: Budget proposal by Brian Mason to cover costs to host autocross event. Details discussed and motion for a budget of \$3060. Nathan motioned, Dave seconded and motion passed.
- Jacks and Dollies: Replacement and additional tools proposed for \$350. Shawn motioned, Tony seconded and motion passed.

Rich made motion to adjourn, Tony seconded and passed unanimously.

Respectfully submitted this August 27, 2014 by Secretary Armando Manzo.

## KYSCCA Helps LS Fest's Big Success

Over 4000 spectators, 200 cars, more noise than a Saturn 5 Rocket and autocross driving beyond belief? It's the annual LS Fest at Beach Bend near Bowling Green—a festival for gear heads.

About 14 members of KYSCCA helped out and worked the autocross for three straight days. 2 of our members put out a car gasoline fire in record time even before the fire department arrived. The head of the festival was really impressed with how smooth and efficient the autocross ran and thanked all of us for our help.

Next year, if we have at least ten more members each day, we would have enough to run in shifts, making everyone's job a little easier. Thanks to you all for the terrific effort.

## Points Event 8

### Rain did not deter 71 drivers

by Chris Evans— 2010 Mitsubishi Lancer EVO

Points Event #8 on August 17, 2014 was yet another great event for KYSCCA. Even though the weather wasn't the best, we had a great turnout at 71 drivers. Both heats ran smoothly and without incident. We had some under tents, some with umbrellas, some wearing the always flattering trash bag and some tough guys who just didn't care and walked around in the pouring rain (Matt Coleman). We saw the Coleman brothers (who are both used to not having any traction) in the very wet first heat wrestle their Corvette's around

Captain Chris Evans navigates in dangerous waters at UPS. Even in torrential rain, He still had fastest time in SM. photo by Michael Salvo

to some impressive times. Definitely the passenger seat to be in if you were brave enough. The Second heat was dominated by Ray Dsouza in his 2009 Mazda Speed 3 AKA "front wheel drive family car" taking FTD and PAX.

Course design by Shawn Lambert was an exceptional addition to his list of exceptionally fun courses. Perfect for the conditions Mother Nature provided. The cone fetching was at a minimum which was very important due to the chalk lines being washed away in the first heat. Thank you Shawn.

After getting there at 5:30 am to help unload trailer, and doing whatever I could to help out, I realized how much actually goes into putting on one of these events. There is a hand full of guys and gals that show up when it's still dark so that everything is ready to go when the rest of us show up. Without them, we wouldn't have such great events. I can't thank them enough.

I also want to thank everyone for having me as the event chair. It was a great experience. Looking forward to Points Event #9 on August 31, 2014!

## Points Event 9

### Wide open course made fun, challenging event

by Steven Lee —(Honda S2K) and Erin Polley—(06 Saab 9-3 Aero)

Points Event #9 brought us to a new lot at KFEC, a wide open space with only 3 light poles to work around. Ray Dsouza designed a fun and challenging course that made great use of the lot's size. 70 competitors braved another rainy day of racing. A nearly constant drizzle haunted the first heat, but that didn't stop the action.

STX was the class to watch with a fight between Shawn Lambert, Ray Dsouza, and Johnathan Sexton for the win. Shawn squeezed out the win over Johnathan by 3 tenths, but he is still trailing Ray by 9 points for Driver of the Year, with Adam Norton trailing by 4 points in third. Another extremely close battle raged on in E Street where Rich Hughes nudged out Dave Melton for the win by a slim 0.023 seconds!

The second heat drivers had luck on their side with no rain and a drying track. Chris Schork and Josh Owens fought for the win in STR, both driving Josh's S2000 CR. The two were neck end neck until the 4th runs where Josh

took the lead over Chris by 9 tenths of a second. Josh had another fight on his hands for FTD against Chris Evans in his always impressive EVO X. Chris had a very quick run of 49.1 seconds, but Josh would be victorious with his 4th run of 48.694.

Despite the rainy weather, PE#9 came off without a hitch and a great time was had by all, as well as a few margaritas at our regular after party. Thanks to everyone for all the opportunity to chair the event and for all the hard work, and lack of sleep, to make this weekend a huge success! Points Event #10 is September 21. Let's all make an effort for a big turn out for our last event and another fun day of competition!

## My First Autocross Experience

KYSCCA Points Event #8 was my very first autocross experience and was a blast! Even though it rained the majority of the event it was still fun sliding around on the course built with cones in the parking lot at UPS on Grade Lane and watching some cars spin-cycle... safely of course. The club members from KYSCCA were very helpful as well. Every time I had a question someone was there to help me. They announced throughout the event so everyone knew where they were going, when they were driving and when they were working.

The only issue that I did have was with working the course. I did not know how, so I was lost trying to figure out where cones were after they were hit due to the rain washing away the chalk outlines. All in all, it was a great time.

I would definitely recommend this to my friends and plan on coming back for more so, see you at the next autocross!—Katie Carver – 2003 Mitsubishi Lancer

Katie's first autocross was at Points Event 8, the wettest event of the year. photo by Michael Salvo

# SCCA National Championships

## Kentucky Makes Big Splash at the Lincoln Beach Party

The SCCA National Championships are held each year in Lincoln, Nebraska at the Lincoln Airpark. The Airpark is a massive concrete surface with enough space for two 60-plus second courses, two grids, a practice course, and a huge paddock that supports over 1,200 cars.

This year's events started on August 30th with the Pro Solo Finale. For those of you new to SCCA Solo, a Pro Solo is a combination of the best features of drag racing and autocross, with head-to-head elimination races against another driver on the opposite, mirrored course. The racers are signaled to start their run by a drag-race-style 'Christmas Tree' and the first driver to the finish wins the match-up.

The top 32 drivers from open class qualifying on Saturday and Sunday morning are seeded in a single-elimination Super Challenge bracket for Sunday afternoon, with the winner of each match-up continuing toward the bracket final.

The Ladies Challenge is run similar to the Super Challenge with a maximum of 16 drivers, depending on the number of entrants among

the three ladies classes. The Pro Solo Finale is also the culmination of a year long points chase much like the class competition in the KY Region. Drivers are awarded points based on their results from Pro Solo events throughout the year.

There was only one KYR member at the Pro Solo Finale this year. Adam Norton was in a tight competition throughout the year in the Street Rear Wheel Drive class. (In the Pro Solos all of the classes that do not have enough participation for their own class are grouped into larger classes based on PAX. These include Street RWD, Street FWD, and Street AWD for the street class cars; Street Prepared A, Street Prepared B, R1, and R2 for the race tire cars.) After two days of back and forth racing against Corvettes, Porsche GT3s, Mustangs, Miatas, and M3s, Adam finished just one spot out of the trophies in 6th out of 15 competitors. This is a very strong showing for Adam's first Pro Finale.

After the Pro Finale, the SCCA Solo National Championships kick off that following Tuesday on September 2nd. The event is run like a normal Solo autocross event, but is spread over two days on two different lengthy courses. This year had near record attendance with 1,161 entries from across the US and Canada. Due to the size of this event the classes are broken into heats on either Tuesday/Wednesday or Thursday/Friday.

Adam Norton was the lone KYR member in attendance this year, however he had support from neighboring CKR members Cindy Duncan, Laura Harbour, Justin Harbour, George and Dee Schweikle.

Like any National event the majority of the fun happens off of the race track. This year's Nationals paddock was no different. Many regions travel in large numbers and take over sections of the paddock for events. These events included a Beer Garden with local brew selections from all over the country, a Pig Roast hosted by the Atlanta Region, Big Wheel Pro Solo in the Texas Paddocks, and a Tacos and Talent Welcome Party talent show hosted by Grassroots Motorsports and the City of Lincoln.

Once the competition kicked off on Tuesday it was four days of back and forth, tight races, sometimes decided by thousandths of a second. The KYR and CKR regions had an awesome showing and took home plenty of hardware.

KYR member, Adam Norton, finished 4th in a very tough field of 29 in the E Street class taking home a trophy in his first ever trip to Nationals.

CKR member Laura Harbour won her second jacket taking home the win in GS Ladies class and Cindy Duncan finished in second place in FS Ladies.

Finally, for those that wanted to stick around for the final weekend the SCCA National Office decided to experiment with bringing back the Solo Trials. Solo Trials events are run like an Autocross except with much larger, open, courses, less cones, and a higher than average speed.

As the season winds to an end lets make a push next year as a region to get more and more people out to National events. KY Region has the size, and we certainly know how to have a good time, so there is no reason there shouldn't be articles written about the KYR Paddock next year at Nationals. Paddock Bourbon Trail anyone?

*by Eric Brown – 2014 Ford Focus ST*

## 2015 Elections are HERE!

Look for your ballot in the mail. Mark your votes. Place ballot in postage paid return envelope provided. Print your name and write your signature on the back flap and send. All ballots must be signed to be counted. Ballots must be received by on or before October 2, 2014. You can also bring your ballot to the September 17 points event and give it to Tony Morrow, Nathan Steinke or Jim Moore. And as a last ditch effort, you may deliver your ballot to the October Membership Meeting before 8:00 pm, when the count begins.

Regional Executive: Jamey McDaniel Treasurer : Richard Sinnock Secretary: Annie Steinke  
Activities Director: Brian Mason Board of Trustees (vote for two out of three) Eric Brown,  
Chris Buntin, Armando Manzo.
