Annual Banquet

January 10<sup>th</sup>, 2009

Kingfish at River Road

Minutes for the September 4, 2008 KyR SCCA Gen'l Membership Meeting

The meeting was called to order at 7 PM at the Lotsa Pasta Café. The following were in attendance: Geoff Hale, Mike Spence, Phil Wells, John Hicks, Jamey McDaniel, Adam Blake, Drew Armstrong, Jim Moore, David Melton, Julia Aebersold, Jamey Aebersold, Alex Aebersold, Chris Granger, and Matt Coleman.

The minutes of the August general membership meeting were read by Secretary Phil Wells. A motion to accept the minutes as read was made by Chris Granger and 2<sup>nd</sup> by Matt Coleman. The motion passed.

Treasurer Mike Spence reported that the transfer of money from the checking account into the money market account had not occurred yet but would be done at his earliest convenience. He also reported that the club has no outstanding debts and is in good financial condition.

There was the following discussion about the site situations: Points Event #7 for October 5 and Points Event #8 for October 19 at UPS-Grade Lane are confirmed. We have been informed that the UPS-Grade Lane lot may still be available in 2009.

Jamey McDaniel reported on the Naval Ordinance lot, which may be a future possibility.

The Jeffersonville SportsDrome will make a decision about repaving within the next few weeks. If repaving occurs, that site may be suitable for future use.

Julia Aebersold reported that returning to PJCS may yet be a possibility as negotiations are ongoing.

There is no word on Bluegrass Motorsports Park's skid pad—they are still recruiting memberships in order to complete the track so the skid pad will probably come later.

The Nomination Committee reported that they have the following candidates for 2009:

RE---? (Jamey McDaniel had been nominated but declined the nomination.)

Treasurer--Mike Spence

Secretary--?

Activities Director--?

Board of Trustee-----Chris Granger, Julia Aebersold, Adam Blake, Ken Daugherty, Drew Armstrong

There was no motion to close the nominations.

New Business: Phil Wells suggested that KyR might add some social events, such as dinner drives to fill in the schedule. RE Geoff Hale will look into it.

Jamey McDaniel made the motion to adjourn the meeting which was 2<sup>nd</sup> by Drew Armstrong. The motion passed and the meeting was adjourned.

Respectfully submitted by Secretary Phil Wells on this September 4, 2008.

## Joining Kentucky Region and the SCCA

There are three different types of membership that can be used to participate in our events. They break down as follows:

### Full Kentucky Region and National Member:

We encourage all of our participants to become full members of the SCCA National Organization and KYR Members. It allows you to compete for year end awards/trophies, provides competitors with the highest level of liability coverage at our events, includes a subscription to the SCCA's magazine *SportsCar*, and best of all, it pays for itself quickly. In order to become a full member of both the National SCCA and Kentucky Region, you will need to apply for membership (online at [scca.com](http://scca.com) or using a membership packet available at our meetings and events), indicate Kentucky Region - Region 17 - as your home region, and pay the membership fee + local dues of \$10. Once you have joined, be sure to carry your membership card, as it is required at many regions' events for member entry fees.

### Associate Member:

If you are already a member of another SCCA Region, and can present a valid membership card to verify your membership, you will be able to sign up for an associate membership. An associate membership allows any currently valid member of an SCCA region to participate in our year end Solo2 Points Series. Without an associate membership, points accrued while running at KYR events will not count toward a year end trophy, so if you think you might want to compete, sign up early in the season. Cost for this membership is **\$10** and you can sign up at registration of any of our events or by contacting our membership chair.

### Weekend Member:

New for 2008 is the creation of the 'Weekend Membership' program. This is a program that was rolled out by the National Office in order to encourage growth of regions and market to our guests and casual participants. Previously, competitors that were not SCCA members were considered guests of the region, and required to pay an additional \$5 over the member cost at our events in order to cover increased insurance costs. Starting with the 2008 season, the extra cost for competitors that are not full SCCA National members will be **\$10 per event** over our normal member fee. This money is directed to the National Office to provide the membership office with a means for contacting casual participants and providing them with membership packets, complimentary issues of *SportsCar*, and a coupon good for a discount on their National Membership. If you plan to run with us for more than just one or two events, please consider becoming a full member, as it pays for itself in a just a handful of events. Also, **points earned by 'Weekend Members' will not count toward year end awards.**
