## The 2010 Awards Banquet

Was a smashing success as Chris Schork and his staff put on a flawless presentation. Great food and bench racing started the evening off. Some tall stories were told along with trash talk among competitors for the 2011 season.

Mr. Schork's comical quips got the award ceremonies started and had the crowd roaring. (Do I hear Oscar MC?)

The audience included two SCCA National Champions Laura Harbour (STS) and Marc Pfannenschmidt (BS.)

After the Class Champions received trophies The special awards were awarded

Rookie of the Year:  
Stephen McCormick

Cone Head Award:  
Bryan Downs

Bucket of Bolts:  
Mark Parker

Driver of the Year:  
Jim Moore

Door prizes were supplied by NAPA Auto Parts. Please see their Ad on page 2.

You can see more photos and a complete list of trophy winners on page 5.

## Minutes of the KYR SCCA General Membership Meeting November 4, 2010

The meeting was called to order by RE Chris Schork at 7:05 PM.

The following were in attendance: Chris Schork, Al Murrell, Jamey McDaniel, Julia Aebersold, Phil Wells, Adam Blake, Mike Spence, Richard Sinnock, and Bruce Domeck.

Secretary Phil Wells presented the minutes from the October membership meeting. Chris Schork moved that the minutes be accepted as presented. Julia Aebersold seconded the motion. The motion passed.

Treasurer Mike Spence gave a financial report. KyR is financially sound but our primary checking account is being depleted rapidly due to year-end expenses which also include banquet expenses.

### **Old Business:**

An additional appropriate award for year-end class winners is to be selected by Jamey McDaniel. A suggestion of an item was made and it will be selected if feasible.

The 2010 Award Banquet will be Jan. 22, 2011 at KingFish on River Road. Happy hour will begin at 6 PM with dinner beginning at 7 PM. The award presentations will follow.

### **New Business:**

There was a discussion about contacting authorities at Ft. Knox about resuming events there. Al Murrell will check on this and report back at the December meeting.

Julia Aebersold stated that a U of L student group asked to use KyR's timing equipment.

Phil Wells made the motion that if Julia is in charge of the equipment, the club should allow its use for a U of L student project. Chris Schork 2nd the motion. The motion passed.

There was a discussion about updating Axware. Julia will check with Chris Granger about this.

There was also a discussion about hosting a Solo Safety Steward school but no decision was made and no date was set.

Julia stated that she wished to have a number of members serve as course designers for the 2011 events. She also hopes to have a number of different members serve as event chairmen.

## News from the Board Safety Steward School

Would you like to get out of standing on course on those hot days and chasing cones? Then consider becoming a Safety Steward. This is a work position at our events that makes sure the courses are safe, monitor the event for safety during one heat, fill out incident forms, etc. We will be having a safety steward school conducted by Al Murrell on Saturday, March 12th. Look for more details at [kyscca.com](http://kyscca.com), 502 and next month's Downshift. You can also send Al an e-mail if you're interested at [afmlouky@msn.com](mailto:afmlouky@msn.com).

## Calling all Course Designers

Have you ever been to an event and thought to yourself "I can build a better course than that this." Well, here's your chance. Our Activities Director, Jamey McDaniel, is signing up folks that would like to design a course for one of our events. If you're not quote ready to deisgn a course, but would like to learn then send me an e-mail at [jaebers@hotmail.com](mailto:jaebers@hotmail.com) and we can pair you up with our most experienced course designer, Jim Moore. Contact Jamey McDaniel at [jameymcdaniel@insightbb.com](mailto:jameymcdaniel@insightbb.com) if you're interested.

## Free Entry Fees for Autocross Events

If you would like to get a free entry fee for one of our autocross events, then volunteer to become an event chair for an event. We provide the training and assistance on the day of the event, so you won't be alone or hung out to dry. Contact Jamey McDaniel at [jameymcdaniel@insightbb.com](mailto:jameymcdaniel@insightbb.com) if you're interested.

## Minutes of the KYR SCCA General Membership Meeting December 2, 2010

The meeting was called to order at Shoney's at 7:15 PM.

The following were in attendance: Chris Schork, Julia Aebersold, Al Murrell, Mike Spence, Phil Wells, Jamey McDaniel, Richard Sinnock, Chris Granger, Adam Blake, and Bruce Domeck.

The minutes of the November meeting were presented by Secretary Phil Wells. A motion to accept the minutes as presented was made by Chris Schork and 2nd by Adam Blake. The motion passed.

A financial report was made by Treasurer Mike Spence regarding upcoming expenses. He stated that we will be able to meet those expenses and still be "in the black".

### **Old Business:**

Jamey McDaniel reported that the cost of an appropriate additional prize for all year-end class winners will come to \$634. Therefore, the cost of all of the year-end trophies/prizes will be \$2134. This expenditure was approved

by the Board of Trustees. Since it exceeds \$500, a motion to approve this expenditure was made and presented to the membership by Jamey McDaniel and 2nd by Phil Wells. The membership approved the motion.

Ken Daugherty will present the year pins at the banquet. Charles Rush will receive the 30-year pin.

A Solo Safety Steward school has been tentatively scheduled for the last of February or the first of March. Al Murrell will conduct the school.

### **New Business:**

A motion was made by Jamey McDaniel and 2nd by Richard Sinnock for the RE to purchase door prizes for the banquet not to exceed \$200 in total, if necessary. This will be at the RE's discretion, as officers will continue to check with businesses as possible sources for banquet door prizes. The motion passed.

A motion to adjourn was made by Richard Sinnock and 2nd by Chris Schork. The motion passed and the membership meeting was adjourned.

Respectfully submitted this December 2, 2010 by Secretary Phil Wells.

## RE's Corner – February 2011

Cheers to everyone! During the elections last year I was voted in for RE (Regional Executive) for the upcoming year. You have probably seen my name around a bit for I maintain the club's website (kyscca.com) and make comments on 502 (502streetscene.com) on a regular basis. If you don't know me then I should be easy to find for I will be handling registration at our autocross events this year and I drive a shifter kart in F125. We are hoping for a great year in that we will have well organized events, exciting courses and host events on a variety of Saturdays and Sundays. Jamey McDaniel is "the main man" as our Activities Director. The season will be kicked off with our Cob Web Shaker/Fun Event #1 on April 10th. If you would like to be chairman of an event (your registration fee is free for that event) then contact Jamey at [jameymcdaniel@insightbb.com](mailto:jameymcdaniel@insightbb.com). We will also be hosting our annual autocross/driver's school in May that will be coordinated by Geoff Hale and Mike Spence. This school is only limited to 40 slots, so don't wait until the last minute if you really want to participate. Details are in this month's Downshift, on our website and on 502. I also hope you have been enjoying the Downshift in the recent months. Ron Riffle is a graphics man "extraordinaire" and has been gracious enough to publish the newsletter making it look better than ever. Finally, I will be traveling to Las Vegas for the SCCA National Convention on February 10th -12th. I have known lots of folks within SCCA for many years and I'm looking forward to seeing some of those faces. However, I'm also hoping to utilize the SCCA National Office to help us grow and make our events even better. I'll have a report on the convention and more tid bits for next month.

Cheers!

Julia Aegersold  
RE, KYSCCA

## 2011 Tire Rack SCCA National Solo Schedule Released

TOPEKA, Kan. (Dec. 6, 2010) –Sports Car Club of America has released the schedules for the 2011 Tire Rack® SCCA Solo National Tour and the Tire Rack SCCA ProSolo National Series, including the Championship “Road To Lincoln” for each program.

Each series will reach its crescendo again at the Lincoln (Neb.) Airpark, with the ProSolo Finale, August 27-28, and the Tire Rack SCCA Solo National Championships beginning a day later, running August 30-September 2.

The two series will have one additional chance to gather in Lincoln prior to the Championship events. New for 2011, Lincoln will host the Spring Nationals, which will include both a ProSolo and National Tour event over the Memorial Day weekend, May 27-30. The Solo Tour event will mark the first held in Lincoln outside of the National Championship, and gives competitors a chance to prepare for the Lincoln tarmac before running for a title.

The Tire Rack Solo National Tour “Road to Lincoln” schedule consists of 10 events, opening with six Tours before a run of four States Championships and then the National Championship event.

The Dixie National Tour opens the season for the fourth-consecutive year, March 11-13, at South Georgia Motorsports Park. The Northeast Tour event, held June 3-5, just one week after the Spring Nationals, moves to Dover Speedway in Dover, Del., for the first time.

The first opportunity for Solo competitors to qualify for the prestigious Triad Award comes at the Southern States Championship, June 10-12, at the Arkansas Aeroplex in Blytheville, Ark. The Southern States

Championship will be run in conjunction with the Blytheville Cars and Cycles Against Cancer charity custom car show.

The Northern States Championship visits the Toledo (Ohio) Express Airport for a holiday weekend showdown, July 1-3. The Toledo visit is the first in a new annual rotation between Toledo and Peru, Ind. Meanwhile, the Western States Championship, July 15-17, moves much further west from its previous Utah location to Hampton Mills in Packwood, Wash.

The final tune-up before the 2011 National Championship comes at the newest States Championship, the Mountain States Championship at Pikes Peak International Raceway in Fountain, Colo., July 29-31.

As was the case in 2010, the Solo Tour season concludes after the National Championship event with the Tri-States Challenge, again in Blytheville, Ark., October 22-24.

The Tire Rack ProSolo Road to Lincoln opens March 25-27 at the Mineral Wells ProSolo at the Mineral Wells (Texas) Airport. The ProSolo field returns to Mineral Wells for the first time in several years.

The series visits the El Toro Airfield in Irvine, Calif., April 8-10, and the Blytheville ProSolo, April 29-May 2, before Round Four in the shadow of the New York City skyline, May 20-22. For the first time, the series will visit New Jersey and compete in the New Meadowlands Stadium parking lot, the dazzling brand new home of football's Giants and Jets and the site of Super Bowl XLVIII in 2014.

Following the Spring Nationals, the series will travel to the Oscoda-Wurtsmith Airport in Oscoda, Mich., for Round Six. The Rocky Mountain Pro Solo will be held in either Wendover, Utah, or Fountain, Colo., followed by the Packwood ProSolo, July 22-24.

The season again concludes in Lincoln at the ProSolo Finale. *National Solo Schedule on page 4*

## 2011 Driver's School

**School** Even though its cold outside its time to start thinking about the driver's school for this year. The event will happen on Saturday May 21st, 2011 at Papa John's Cardinal Stadium. The cost for the school is \$75 and includes Driver Instruction and lunch on Saturday along with your registration fee for Points Event #2 on the following day. There will be (2) courses set up for the day along with a karting school for the kids.

Below is a schedule of the day's events.

7:00 am: Instructors meeting, empty trailer, course set up.

8:00 am: Students on site, register, present cars for tech inspection.

9:30 am: Driver Instruction begins

Noon: Lunch (provided)

1:00 pm: More Driver Instruction

4:00 pm: Clean up the site and get ready for Points Event #2 on Sunday.

Participants wishing to help out and getting to know how an autocross event comes together, are invited, and encouraged to join us at 7am.

If you have any questions at all please contact:

Geoff Hale, 502-494-5329, Down2L@aol.com

Mike Spence, 502-643-4304, Mikespence@brownsprinkler.com
