News from the R.E.

by Jamey McDaniel

On May 13th, 14th and 15th the Kentucky Region hosted an Evolution School. There were 4 phase 1 classes, a phase 2 class and a phase 4 class. We had 60 plus students that attended and several that were there for all 3 days. We had 5 great instructors this year, Jinx Jordan, Mike Johnson, GH Sharp, Gerry Terranova and Jackie from Paducah, KY, who was in training to be an instructor after a hiatus from the sport. The weekend went well and a good time was had by all. I know this school always sharpens driver's skills so if one of your competitors attended any of the phases, look out!!

Thank you to George Frazier who did a great job as event chair for the evolution school. George has also volunteered to be event chair for our next event June 26, 2005. This event is tentatively scheduled to be held at Papa John's Cardinal Stadium after we had a scheduling conflict come up that made the UPS site possibly double booked.

Kentucky Region will be hosting a Driving School at Papa John's Cardinal Stadium on Saturday, July 9th. This school, while not structured the same or quite as in depth as Evolution, will give 60 or so lucky folks and opportunity to get valuable seat time in their cars. as well as instruction from some of the best drivers and teachers our region has to offer. The school will be chaired by Erik Mohn and Drew Doukas. If you are interested in attending the school or more importantly if you are available to instruct, please contact Erik at erik.mohn@insightbb.com or get in touch with Drew at the Winning Formula. More details will be going out via email on our distribution list in the coming week, so stay tuned to your email or

kyscca.com for that information. In the meantime, to give some baseline information, could expect to pay in the area of \$40-60 for a full day of seat time

and instruction and that registration will be done as it was for Evolution with a cap at 60 drivers.

Points events 1 and 2 (both held at Ft. Knox) are behind us now. We had 100+ drivers at each event and all drivers got 5 runs at each event. We missed some of our Lexington and Cincy friends at the last event because all 3 regions had events that day. We try to avoid that but sometimes it happens. Points for these events and the year to date standings are now updated and available on kyscca.com thanks to Eric Brown and the Duncans who have worked hard on getting these to us ASAP after each event. They have also pledged to get points posted within a day or so after each event so check the website to see where you stand in the points.

While we are on the subject of points and standings I would like to remind everyone that this is an amateur sport, meant for friendly competition. Everyone wants to be competitive, but at the end of the day, the prize is a drinking glass and bragging rights for a few days. Our goal on race day should be to have fun, be safe and come away with as little sunburn as possible. I hope to see you all out on June 26th at Papa John's for another great day of racing.

DownShift is a newsletter published for the members of the Kentucky Region SCCA on a (at least) bi-monthly basis. The newsletter is available in two forms: **online via an email link** in Adobe Acrobat (.pdf) format, and in **hard copy via postal mail**.

If you have email capability and would like to receive the newsletter and other updates via email, please visit kyscca.com and submit your email address via the 'Feedback' link in the left menu. *Please do this regardless of whether or not you are currently receiving emails from the Club*, so that we may have an up-to-date email list.

All those of you who prefer to hard copies of DownShift via postal mail will continue to receive them. Any future submittal of an email address will opt you out of the postal list. Hard copies of the newsletter will also be available at our events and meetings and the pdf will be available at kyscca.com. Thanks for your help!
