2007 Officers and Board Members

While the RE (Phil Wells), Secretary (Andrew Scott), and Treasurer (Paul Ward) for 2007 will remain the same as in 2006. **Erik Mohn**, who has

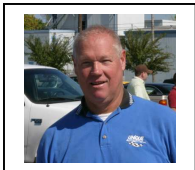

previously served KyR as Ass't RE, will take over the duties of Activities Chairman for next year. A familiar voice on the microphone at events, Erik brings a wealth

of experience to the position.

Two new Board members, Mike Spence and Geoff Hale, were also elected and they bring many similarities to their respective positions; they are both members of the "C-Mod Cartel" and both have been invaluable as they typically arrive early at events to set up for the day's activities and are also among the last to leave, generously giving of their time to help pack things away at the end of the day.

Mike Spence, a long-time member of Kentucky Region, had previously served as a Board member when Michael Clevenger was RE. A

seven-year member of SCCA and Kentucky Region, **Geoff Hale** brings with him years

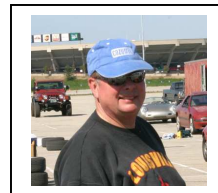

of successful business experience to contribute to our organization. They join returning Board

members Bruce Domeck, James Duncan, Bill Engle Sr. and Mike Winebrenner in the policy-making duties of the club. We wish to extend a hearty welcome to these new administrators and wish to thank 2006 Activities Chairwoman Cindy Duncan, and out-going Board members Al Murrell, Jamey McDaniel, and Paul Ward for their contributions that have made the 2006 season so successful.

Solo Safety Steward School.....

Kentucky Region is hosting a Solo Safety Steward School on Saturday, November 4, 2006 at the meeting room of the Porsche dealership at **Blue Grass Motorsports**. The class will begin at 2 PM and will last approximately 3 hours. KyR's own Solo Safety Steward

Instructor, **Bill Engle Sr.**, will conduct the class. There is no charge for the class but registration will be required for

enrollment as class size will be limited to 20 students. Students must be SCCA members and must have a 2006 Solo Rule Book (which will be available on site for the reduced fee of \$10). To register for the class, please contact RE Phil Wells.

Dinner Drive to the Overlook Nov. 5....

KyR will have a dinner drive to the Overlook at Leavenworth, IN on Sunday Nov. 5, 2006. Guests are welcome to join us for "bench racing" or just conversation along with good food and drink. We will leave from Cox's Park on River Road in Louisville at 4 PM for the drive to the Overlook. If you wish to join us, please contact the RE by Nov. 3 so that we may inform the restaurant of the number attending.

Swap Meet held in conjunction with Fun Event #2 on October 8.

Event Chair Erik Mohn poses beside one

of the larger items for sale (or trade) at the swap meet that was held along with the

autocross at Papa John's Cardinal Stadium on Oct. 8. While a lack of much advance publicity probably hampered the turnout of swap

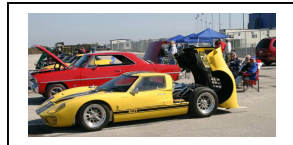

items, it is a novel idea that we wish to try again next year. The event was also enhanced by having "fun runs" available after the completion of the formal competition. If you missed it, you missed a fun time. Thanks to Erik for putting on a great event!

Kentucky Region SCCA at Boy Scouts of America Camporee.....

At the Lincoln Heritage Council Seneca District Fall Camporee at Kentucky Speedway at Sparta, KY on Oct. 21, several Kentucky Region members were among those displaying vehicles

at the car show held as part of the "Grand Turismo '06" Fall Camporee. KyR members present were: **Chris Granger** (one of the organizers of the event), **Phil Puckett**, **Bruce Domeck**, & **Phil Wells**. Phil Puckett is seen here relaxing by his GT-40 while awaiting the next wave of Scouts. This

was an excellent event and one that I hope will return annually on the BSA

calendar. Thanks to Chris and the Boy Scouts for allowing us to be a part of it!

Race Report....from Bruce Faucett

At the WOR Games double regional races at Mid-Ohio Race Course on Oct. 7-8, Kentucky Region was well represented by Drew Doukas in Spec Miata, Dr. Ron Harris & Bruce Faucett in Formula Ford, and Bruce Domeck in Formula Atlantic. In Saturday's races, Drew qualified 7th (out of 42) and raced to a 9th place finish. Ron qualified 8th (out of 22) and finished 5th. Bruce Faucett failed to qualify as he experienced mechanical failure (the distributor literally exploded internally) and also missed the race as he searched for a replacement. Bruce Domeck qualified 2nd (out of 28) and drove to the checkered flag in his run group & FA. In Sunday's action, Drew qualified 8th (out of 43) and improved to 6th at race's end. Dr. Harris & Bruce Faucett qualified at 10th & 15th, respectively (out of 23) but both moved up during the race with Ron finishing 7th and Bruce F. finishing 9th. Bruce Domeck qualified 3rd (out of 26) and finished 2nd overall & 2nd in FA.

Final Results Posted in Great Lakes Division Championship Series.....

Congrats to **Bruce Domeck** for his **championship** in Formula Atlantic for 2006.

Congrats also to **Dr. Ron Harris** for finishing 5th in Formula Ford and also to **Bill Engle Jr.** for his 7th in Spec Racer Ford.

General Membership Meeting**

There was discussion about additional computers but no action taken.

Thanks was expressed to Michael Clevenger for his excellent photography presentation following the August meeting.

The following letter from Ken Daugherty regarding the Year-End Points Eligibility was read into the minutes:

To the Board:

I regret that I had to leave the meeting early last evening. I also regret that it was becoming apparent that we were going to change the rules for a member. I didn't have a vote and saw no reason for me to continue to debate the issue.

It was not our fault that he didn't read the rules. It's not our fault that he was "too busy" to keep his membership up to date. It's not our responsibility to tell him that points earned as a non-member do not count. It certainly is not "user-friendly" to change the rules because one person whined. The membership starting and ending dates are very clear on the weekly printout we receive. He was not a member from sometime in March until recently and he ran about 5 events as a non-member, which he acknowledged by paying the non-member fees. He freely acknowledged that he had let his membership lapse. And now that he may win a trophy, he wants to ask us to bend the rules for his benefit. As I read the rules (and read aloud to all) it seemed very clear to me that you must be a Kentucky Region member for points to accumulate. I don't think it can be any clearer.

It was very clear that two and probably three (Board) members were in strong support of Russ and willing to change the written and very clear rules just for him. Why? What has he done for us? What has he contributed? Has he gone out of his way to make this a better organization? I don't mean to be personal about this but why should we change the rules

just for a member? It was very clear what it takes to earn points and it is published on the website.

I am very disappointed that we didn't stand up and just say "Sorry about your bad timing. Grow up and when the membership renewal arrives in the mailbox, write a check." The fact that he is busy and trying to run a business is no excuse. I'm sorry that he should lose out--Tough luck, it's time to acknowledge that you screwed up. If he is awarded a trophy for this season, I think it has been diminished in value for all. Nothing personal, I would feel this way if it was my own son. Grow up, accept the responsibility, and get on with life.

Now with all that being said, I suggest that we throw out the membership requirements for the entire year and make everybody that ran eligible for trophies. What's the point of publishing rules if we don't enforce them?

*Ken Daugherty
KySCCA Membership*

Mike Spence also voiced that he didn't think the Board decision was fair.

James Duncan explained his rationale behind making the motion: The discussion was over and a vote needed to be taken.

New Business: We need a chairperson for the September 17 and October 8 fun events. Cindy Duncan's name was raised as a possibility.

Solo Safety Steward School: No date set yet (**Editor's note---see page one**)

WOR Games at Mid-Ohio on Oct. 7 & 8, with a PDX on Friday Oct. 6.

A motion to purchase another computer was tabled.

Motion to adjourn by Ken Daugherty and 2nd by Andrew Scott. Motion carried.

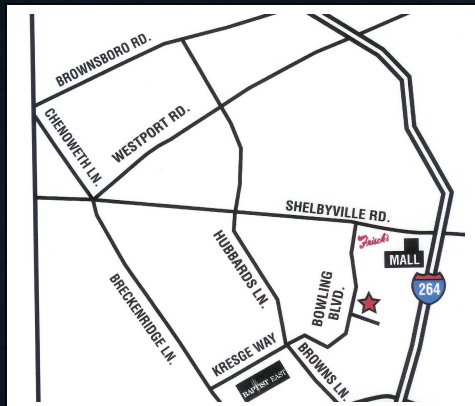

The next general membership meeting will be November 2, 2006 at 7 PM at Max & Erma's on Hurstbourne Parkway. Join us for good food and lively banter!
