## Downshift: The KYSCCA Monthly Newsletter

Welcome to the new Downshift Newsletter. This will be our monthly communications to the membership and other interested parties. Please remember the Downshift and [KYSCCA.com](http://KYSCCA.com) are the official communications of KYR and any social media posts are completely unofficial.

The Downshift going forward will be sent on or around the first day of each month. If you would like to include any information in the newsletter please submit it to [kyscca.re@gmail.com](mailto:kyscca.re@gmail.com) by the 20th of the current month for inclusion in the next Downshift. If you are interested in advertising in the Downshift please also reach out to us at the above email.

## Reminder of Sound Limits

### Sound Limits:

Given the the sound requirements of NCM and our desire to maintain the best possible relationship with track management the club has elected to enforce a lower sound limit. The new rules will reduce the maximum allowable dB reading by 2dB.

Under the new rules you will be warned at 95 dB and asked to make a change to your car before you can run again at 98 dB. If you refuse to make a change, or make a change and still break 98 dB your runs will be DSQ. This allows us a small buffer room between the track imposed sound limits that will force the entire event to shut down and jeopardize future events at the site. At our KFEC events we will running and recording sound for informational purposes only. People who go over 95 dB and 98 dB will be notified so they are aware of their situation before attending an event at NCM.

## Interested in Helping Out?

The Club is always looking for help before events to unload the trailer, help set up tables, assist in registration, course set up, etc. If you would like to help out and find a niche you enjoy doing feel free to show up early and lend a hand. All of our

chiefs are looking for assistant chiefs. The trailer and early helpers are typically on site by 7am.
